AFFILIATION COMPLETE!!!

<p>A long journey has been completed, and another will soon begin. In November 2003, Habitat for Humanity Mountain View became the 61st Habitat affiliate in Canada. Special thanks to all the people</p>	<p>who worked so hard to achieve this goal - give yourself a pat on the back for a job well done. Application was made to the Canada Customs & Revenue Agency at the end of January for Charitable status and is</p>	<p>expected to be in place by the end of February. At this point, HFHMV will be able to issue charitable tax receipts for donations of funds or gifts-in-kind.</p>
